

**UW Veterinary Care**  
UNIVERSITY OF WISCONSIN-MADISON

## **Large Animal Patients Needed for Clinical Studies – January 2021**

The following clinical and farm studies are recruiting patients at UW Veterinary Care. Some trials recruit healthy animals as controls. Many trials provide a **reduction in the cost of treatment**. For more information on any studies, please visit our webpage: [uwveterinarycare.wisc.edu/clinical-studies](http://uwveterinarycare.wisc.edu/clinical-studies), or call the clinic and speak to a member of the specific service: **608-263-7600, press 3 for the large animal hospital**. Thank you for helping improve the health of animals.

- **Orthopedics** – ask for Dr Sabrina Brounts
  - Horses with **Degenerative Suspensory Ligament Desmitis** – investigate genetic heritability of this disease
- **Ophthalmology** – ask for Dr Seth Eaton
  - Horses with **Ocular and/or Periocular Squamous Cell Carcinoma** – evaluate utility of CT scanning for treatment planning and disease prognosis
